

# Your Town, Your Vote, Your Say

## Feedback Form

*When completing this form, please bear in mind that the housing target for Battle Civil Parish was set by the Government to increase the housing stock nationwide. Through a strict vetting criteria (based on your comments at the consultations in 2015 and 2017), we have identified a number of potential preferred sites to enable developers to provide for 475 new homes in Battle and 48 new homes in Netherfield which will be valid until 2028. All potential developments will need to gain Planning Permission via Rother District Council before building can commence. Developers legally have to contribute to the Infrastructure of Battle, Netherfield and Telham by paying a levy called 'CIL'. This means the town and NOT the District Council, will be able to help determine how the CIL levy is used (subject to the restrictions of use imposed by the Government) so it is important we adopt a full Neighbourhood Plan. This will go to the public in a full referendum that will take place, we hope at the end of this year.*
